Using the Turkish and Kurdish communities in Germany as a case study, this book offers a unique analysis of trans-state political loyalties and activities of transnational communities and their political ramifications at both national and international levels. It provides a comprehensive analysis of the crucial relationship between culture and economy in the diaspora over time.

KarimTheMediaofDiasporaexamineshowdiasporiccommunitieshaveusednew... Increasing international migration, the information revolution and democratization have propelled a globalization of the domestic politics of many states and, although diasporic politics is not new, emigrant political participation in homeland politics has grown as well as adapted to the new... Culture and Economy in the Indian Diaspora Edited by Bhikhu ParekhGurharpal SinghSteven Vertovec The Indian diaspora is one of the largest and most significant in the world today with between nine and twelve million people of Indian origin living outside South Asia.
