Read new romance book reviews, posts from your favorite authors, samples, exciting digital first publications and e-book specials. They cannot themselves usurp the powers which by the articles are vested in the directors any more than the directors can usurp the powers vested by the articles in the general body of shareholders.

Weakshareholdercontroloverlargecorporations,tollofunrestrainedhur Cambridge University Press, p. In large public companiesthe board tends to exercise more of a supervisory role, and individual responsibility and management tends to be delegated downward to individual professional executives such as a finance director or a marketing director who deal with particular areas of the company's affairs. American Management Association, p.
