Howdobookmakersmakemoney? Fractional odds are most commonly used in the United Kingdom, where they are used by bookmaking shops and on course bookies at horse racing tracks. The bookmaker, in his wish to avail himself of a profit, will invariably reduce these odds. Having just one or two good trades a week can prove a lucrative, with the markets being so much larger it means stakes can be too!  
Theoddsinourtennismatchexampleare2.We've got you covered! Successful sports betting is largely about making accurate assessments about the probability of an outcome, and then determining if the odds of that outcome make a wager worthwhile.
