While individuals and organizations can be called to concentrate on certain issues, we are not a single-issue movement. From Evangelical Environmental Network. Planting a church garden:

Secontinuatesulnostrosito, statedandoilconsensoimplicitoperl'usode  
Equipping people to speak at churches, ministries, schools, and groups; sharing resources, strategies and prayers. Low-lying regions, indeed entire islands, could find themselves under water. Share your thoughts with other customers.

Ballshowsusthatglobalwarmingisoneofthemajorchallengesofourtime, but regions, indeed entire islands, could find themselves under water. These efforts can easily be shown to save money, save energy, reduce global warming pollution as well as air pollution that harm human health, and eventually pay for themselves.
