Feminism and the Family in England Show 25 25 50 All. Amelia Jones wrote that the post-feminist texts which emerged in the 1980s and 1990s portrayed second-wave feminism as a monolithic entity and criticized it using generalizations.

The case concerned whether men should have the opportunity to decline all paternity rights. "Make Room for Daddy". Men's rights activists support the use of nonconsensual paternity testing to reassure presumed fathers about the child's paternity; [] men's and fathers' rights groups have called for compulsory paternity testing of all children. *Political Education in a Democracy*. Men's shelter Sex differences in crime. University of Illinois Press.
