Be the first to ask a question about How to Cook Without a Book. I LOVE this book.

This would be a great book for someone just learning to cook, or someone who enjoys cooking. Although I already knew how to cook I didn't know how to cook without using 10 bowls and at least 20 spoons. Try This At Home!

I would recommend this book to anyone who enjoys food. Includes 6 weeks of super recipes that don't require a book are no brainers:
