With the continuing decline of hope for viable, safe, respected, and prosperous communities, the frustration amongst Blacks and their leaders began to increase. For example, most Blacks believed that baptism in the Anglican Church would make them "one and equal with whites. The Black Church is among the most important institutions in the Black community, offering numerous spiritual, social, and health benefits. You know, you are looked at a lot harder so you always gotta be perfect in front of her. She laid hold of her hair to keep her from going down into the water, but the justices commanded peace, and said that she should be baptized, as she desired it. Black churches were the focal points of black communities, and their members' quickly seceding from white churches demonstrated their desire to manage their own affairs independently of white supervision. The integration of family and church meant that young men's decisions about disclosure often directly affected their families. As a homosexual, you know, the word is so judgmental so it's like I shouldn't go to an American portal Christianity portal Religion portal.
