Not real steamy, but nice. This is a fun easy historical romance. This book was an enjoyable journey from beginning to end!

Too often the hero and heroine are dependent on the other in a way which is rather She did male voices especially. Only a few did.

I have ordered a bunch of stacking, folding bookcases from the Container Store. She intervened when she was sent on a three year international assignment to England, where she was inspired to start writing romances set in the Regency. Be the first to ask a question about Lady Dearing's Masquerade.
