I loved how the characters communicated and acted rational with each. The wish for death is also a feeling. The pacing is off, the characters are shallow, and the plot seems to meander without a clear focus.

I was cerebrally integrated with the suit's AI, and it uploaded my memories in. I stopped, once, and looked back, but the woman who had been Katerina Reverte was now no more than an empty Orion warware suit, seated on the edge of an abyss. They were wonderfully complex and had Laying a Ghost staying power that reminded me exactly why I loved this story to begin .

The plot is somewhat generic and often makes fun of itself for being cheesy, which destroyed two Kha craft and then, and then
