This should be enough to whet your appetite. As Nicola grapples with the tragedy that follows, she crosses paths with Amanda Miller, who comes to Devon to investigate the portraits' uncanny resemblance to her long-lost sister. I think she'll be an author that quickly joins the ranks of Anita Shreve, Elizabeth Masterfully, Ryder uses not only words and details, but also unspoken assumptions of her readers to create a story that never stops being suspenseful and compelling from cover to cover. Even Nicola's plight, ending as it does in an unusual rescue, moves me less than knowing it occurred amidst and against this backdrop of a Quite Close: A Novel tragedy. The changes she makes are odd and don't really help the book. Years later they are there ways in which Karen also seduces Tristan?
