III, and David W. This political force, organised around a small number of key social issues and fiscal conservatism, was utilised by Karl Rove to engineer George W. The Second Great Awakening from the early to midth century was simultaneously a conservative theological movement and a progressive political one.

The antislavery terrorist, John Brown, was inspired to take up arms in his attack

What Roosevelt contributed to the religious aspect of American foreign policy was an even greater sense of the United States as itself a religious idea. And the light shines in the darkness, and the darkness will not overcome it. Woodberry,

The Measure of American Religion:

Fine, Substantive Religious Representation in the U. During this period, American attitudes toward racial equality were deeply challenged. In addition, and most of all, these new evangelicals questioned what kind of foreign policy they could support as Christians.
