Get marketing strategy tips and questions to ask before investing another dollar in marketing. Too many women fail to pass out their cards because the cards are buried in their purse and take too long to locate.

Updated as changes in the law dictate. Freedman When police officers are trained to respond to situations involving domestic disturbance and hostage taking, the instructors at the police academy teach male *Woman Lawyers Rainmaking Game* female officers totally different techniques. How can a woman capitalize on her superior social skills and warmth, in a profession – in fact, a business world – where men tend to dominate? Rainmaking is rainmaking, right?

If you remove the word "Woman" from the title, it would be a more accurate representation that respect, inserting "Woman" in the title is a marketing gimmick, a contrivance to slot the product into a burgeoning market niche.
