By at least the year the term had seen secular application and was applied to the three learned professions: Someone with a high degree of professionalism takes responsibility for his assignments, his actions and any problems that arise Ethics and Professionalism from his work. My parents were the greatest – but sometimes they did lie to my brothers and me. The word professionalism originally applied to vows of a religious order. Ethical conduct, or professional decision-making, is a necessary requisite to being called a professional. Mon, Dec 17,

Separatists argue that professions should be allowed to go beyond such confidentiality. Professionals have internally enforced codes of practice that members of the profession must follow to prevent exploitation of the client and to preserve the integrity of the profession. Differences of opinion can lead a professional to blow the whistle.
