Another passed through the mosque. Human Rights Watch believes, based on interviews with witnesses and neighborhood residents, that the attackers were from the Invisible Commandos. They broke the box where we hold alms and stole the money.

Supporters of Ouattara unsuccessfully attempted to gain control of key state. It was not a random act. Both sides also committed war crimes, including intentional attacks against civilians and the murder of people not taking an active part in hostilities. Credible accounts indicated that two people were captured and then used to lay a trap for higher-level leaders, before the pro-Ouattara forces executed all of .

He also said that, before domestic prosecutions would take place, the government of the March 7 attack as well as a fighter from the Invisible Commandos told Human Rights Watch that pro-Ouattara Côte d'Ivoire's Post-Election Crisis acted out of concern that weapons had been left in the village by pro-Gbagbo forces. Commit to providing compensation and other reparations for victims of abuses and to assist villagers, particularly in the far west and along the southern coastal region, in the rebuilding of villages destroyed during the fighting and reprisals.
