Open Preview See a Problem? I couldn't agree more that our teachers should have less students, more time and freedom for following the current development of their own subject and more personal contact with the students.

First, hear guest that men should seek an honest understanding of each. The book  
Your recently viewed items and featured recommendations.

Perhaps in his dedication to empiricism he's not entirely sure of any of his own beliefs, but he believes that some ideas are certain enough to be very useful, and ought to be defended with conviction.

I appreciate the idea he has, and maybe he is onto it. Comixology Thousands of Digital Comics. See and discover other items:
