But I grew fat over that year of eating through all that bread, and I grew tired of the sameness of the flavors--perhaps because I chose the ones that had the flours I could easily use up in coming weeks. Best Book This book is really nice. ShopbopDesignerFashionBrands. I was really looking forward to his book, and trying out complex, wholegrain flavour breads. New Techniques, Extraordinary Flavor. Not being a chemist, I think the actual chemistry behind all the reactions in the dough is a little beyond me, but the deconstruction of the bread, the nitty-gritty how it works is what really intrigues me. But from my studies, it is also the best for nutritional reasons as. Best Book This book is really nice.
