The opening of the book is incredibly effective - the reader is plunged straight into the action of the balloon incident - but because this is the first time Joe and Clarissa appear, and the problems between them start very soon afterwards, I found it difficult to get a handle on them as a couple deeply in love and happy particularly as we only see Joe's viewpoint. *Enduring Love* is my ninth Ian McEwan book and I now have a sense that I can group his work by certain characteristics. It

can occur in males too, as it does in this story, especially in men who have social disabilities; are disconnected loners with no friends, and may already have schizophrenia or other disorders.

This day will change the character's life and everyone around. For Jedi in story it was no surprise that both failed to hold down the balloon so to speak. It's almost poetry rather than prose.
