Your goal is to work out more, but your reward is looking great naked. You need to loosen up your grip and give your team the trust, freedom, and credit they deserve. Save editing for the very end.

Just think of a really really big black box you have to enter. Right now, as I'm writing this, my mind is suggesting that I feel tired. When you have a habit, motivation is easier. It is easier to take action and feel insecure at the gym than to sit still and experience self-loathing on the couch.

I published daily and never felt bored or scared. There are so many similarities. I cringe when people refer to my drawings as art. What would you do then?
