This book is amusing and insightful, from a French woman's angle looking into English world in an objective view. Beth added it Apr 01, One lacking of comparison by the author is in the area of Science and Mathematics.

You may disagree with her but you may never see yourself in the same way. Want to know why France and Britain are so different, and why they do things in opposite ways. Just a moment while we sign you in to your Goodreads account. EastDaneDesignerMen'sFashion.A brilliant and vigorous observer of both French and British societies, which she knows intimately, year-old Agnes Catherine Poirier has spent the last ten years explaining the peculiarities of France to the British and of Britain to the French.
