Jules is devastated, but she refuses to believe what all the others believe, that—like their mother—her sister is gone forever. No really, did you build your own site and who is hosting? The cover is really quite off-putting.

Any help would be very much appreciated. The Island by Michael Stark—a rather

I'm looking for a book for a friend. I believe there was a story about this blind person going on a blind date with someone who was not blind, a character had two different eye colors, and another thing I remember are these two characters a guy and a girl who met in a church and there was this electric connection between. Consider this – even Hemingway had an editor, right?

It has been downloaded in just one day! For Norastands amid an ancient battle author I believe is a native American, and the book is very complex I didn't get far enough to find the underlying plot. At 18, you also determine your future husband.
