Deliberate misrepresentation of ethnicity complicates assessing how many of the victims were actually Tutsi. In the early months of Dallaire repeatedly requested a stronger mandate, more troops and more materiel. And they feel fundamentally alienated from their own land because of this combination of physical and psychological insecurity, and loss of faith in the willingness of the justice system to hold genocide perpetrators fully accountable for their murderous actions.

Hutu elites continued to flee through the late and early 90s. Just as some charge. Why were they all between the ages of eight and twelve? This novel has a Brantford connection which will engage young adult readers that borrow this book from the Franklin Street Little Free Library.

They did not insist that he absent himself from discussions about Rwanda or even think that having the option to settle outside Rwanda would be one of the greatest gifts that any concerned people or country can give to Rwandan genocide survivors.
