Opening line: To see what your friends thought of this book, please sign up. This book is very beautifully illustrated and has a nice contrast of bright colors with the very earthy tones of the people and the setting. How the Sun came to be in the sky This is a colorful intro to the native peoples of the NW. It also makes the main character into a Robin Hood type of character. The people was thrilled to share it with my second grade small group today as part of a guided reading lesson.
