European History Ancient History: The civil wars were primarily over succession, led by military leaders with aspirations to acquire the imperial purple. Civil wars, assassinations, succession crisis were much more frequent now than in the first two centuries AD.

Goldsworthy's scepticism of accepted historical opinion makes this a He will appear in six of the eight episodes of the forthcoming When Rome Ruled series for National Geographic. Senators had traditionally taken on short term military commissions in the provinces but were gradually frozen out by Emperors. The World at the End of the Fourth Century.

I honestly found myself getting a little bored which was disappointing for me and Goldsworthy did not resist temptation to draw a number of analogies between modern and ancient society, culture and, above all, politics Goldsworthy devotes entire chapter to .
