Theoretically every man upon reception into the Craft acknowledges himself as within the category of the spiritually poor, and as content to renounce all temporal riches if haply by that sacrifice his hungry heart may be filled with those good things which money cannot purchase, but to which the truly initiated can help. There are some references to the symbolism and regalia of English Masonry not present in American Masonry that does prompt me to do additional research on the differences between the two. If you have any interest in the symbolism and philosophy of the The Meaning of Masonry, do read this book, but don't buy or read this version. In some Masonic Lodges the candidate makes his first entrance to the Lodge room. The reason why no man should be solicited to join the Order is that in regard to these matters of sacred and momentous import, the first springs of impulse must originate within the postulant himself; the first place of his preparation must ever be in his own heart, and it is to the cry The Meaning of Masonry knocking of his inward need, and for no less a motive, that-in theory, though scarcely in practice -the door to the Mysteries is opened and the seeker enters in and finds help. Customers who viewed this item also viewed. But then again, it shouldn't surprise me that all good things are never appreciated. I found that reading it helped me considerably in understanding much of what occurs in the Lodge. Like the craftsmen in search of the body, we go our different ways in search of what is lost.
