Books by Wendell Potter. We already have Medicare and Medicaid, so what's the big deal about creating a public option for everyone? Sep 05, Lindsay Wall rated it it was amazing.

His piece on risk management and cyber security was widely circulated. A brilliant take down of the health insurance industry in the USA. Because the next Congress has vowed to repeal the ACA. Like many people, I've It took me a week or so to devote enough time to this one, and I'm glad I waited until I had time to really focus on what Potter had to say. Apr 14, Clif rated it really liked it. These enterprises actually do have "Dea please click .
