We all do stupid things, just don't make it easy for a hiring manager to find it. If you find it hard to focus while maintaining eye contact, look at different parts of the face – they won't know.

Everything you need should be neatly organized and readily accessible. Other Posts You May Enjoy. Describe what you were doing and if you faced any challenges whilst doing it. You need honest feedback and visibility into your blind spots or you won't improve – practice is about improvement.

An informational interview isn't a job interview, it's where you interview are interviewers who use the STAR interview approach, which asks you questions that you will answer with a story that follows this framework they won't tell you that ahead of time, but you'll know what I mean once I explain STAR. There has never been a more powerful tool to allow you to connect so quickly with so many people anywhere in the world.
