The Master Strategist provides the means to decipher these changes, offering unique insights into the issues and patterns that are defining the future, and pointing the way to strategies for a freer and more peaceful and prosperous world. Click here Do you believe that this item violates a copyright? Instead, we remain trapped in institutions that are ineffective and downright dangerous.

Are these random events or is there an underlying pattern? Can we sustain our prosperity, let alone expand it to others? Learning how to harness and direct this capability is now critical if we are to forge a better future.
