With that in mind, AskMen decided to create this guide that will allow you to go fetch your dog a bed that he may actually like to sleep on, instead of acting like he is being asked to spend the night in dog jail. Since the high foam sides of these beds usually prevent you from putting them in the washing machine, make sure they have a removable center pillow for ease of cleaning.

To find out more, please read our complete terms of use. The semi-covered design is good for dogs that like to stay warm, covered, and cozy while sleeping. These types of beds and covers can be more expensive than other choices, but they are often highly durable so they last longer. Consider a hammock bed for ease of cleaning. Hair and odor control Dog beds can help keep your house clean or at least cleaner by keeping the hair and odor concentrated in a single area, while discouraging pets from curling up on the upholstery.
