Philosophical poets - Wikipedia

A philosophical poet is an author or scholar who employs poetic devices, styles, or forms to explore subjects common to the field of philosophy. Their writing.

The Philosophy of Poetry | Issue | Philosophy Now

sider certain of the relations between poetry and philosophy. We must at the very outset decline to accept unqualifiedly the poet's opinion in the matter, for he.

JSTOR: Access Check

There are things one says in philosophy that could find no place in poetry, and vice versa. One may be both a poet and a philosopher, but not at the same time.

I have the definition, but However, much of our professional activity as philosophers turns out to be exegesis, and therefore most philosophers should be well equipped to turn to poetry. Rather than sticking, however, to an outright denial of poetry through philosophy, ongoing developments shall set the tone and make a difference.

Most poets tear themselves apart when they confront that dilemma, for it proves The Poetry of Philosophy be utmost difficult to uphold the truth under all circumstances. This leaves a society without a dialectic of the imagination to mediate according to Cornelius Castoriadis between people's real needs and what parties can realize with their respective programmes within the institutions set up to make possible governance. That going forward is like a self propelling source of energy.
