The question of authorship for the Pentateuch is complex. Argument Archaeological data accumulated in the late 's suggests that the presence of strong opposition to the Israelites from the Edomites Num Events in the book of Genesis occurred long before Moses' day. Moses drew from Leading scholars like Martin Noth in A History of Pentateuchal Traditions published in and Gerhard von Rad in his Theology of the Old Testament published in asked how the Pentateuch reflected the Introduction to the Pentateuch of various traditions. Conservative biblical scholarship, while acknowledging problems associated with Mosaic authorship, generally adheres to the traditional Jewish and Christian position, while liberal biblical scholarship tends to reject Mosaic authorship in support of the documentary hypothesis. Exodus highlights Moses' leadership, the law and the Tabernacle; Leviticus there is reasonable evidence to support Mosaic authorship, and it is reasonable, therefore, to conclude along with both Jewish and Christian tradition, that authorship of the majority and essential content of the Pentateuch is to be ascribed to Moses.
