This book is not yet featured on Listopia. A lot of this land has yet to feel the tread of a human foot. The implants are sort of explained, at .

I loved this world and the people in it. We are experiencing technical difficulties. Anthropomorphism is involved and if you have read any of my posts, you are aware of how much I enjoy. And the most engaging part of the new world was the dramatically improved ability to adjust ones self. Interspersed throughout the action is some dry humor, which brings more life to this book! Ingrid and Whisprare hunted fugitives bound together by a thread: Archie Goodwin tracked her progress but made no move to block her path.
