There are no discussion topics on this book. I read the book before I attempted any of the patterns. They are beautiful, unique, and most importantly wearable.

I was put off in my gut a particularly telling warning sign by all the patterns,

So I fell in love with the patterns when I picked up the book.

From the author of French Girl Knits comes a collection of signature French-inspired and feminine knit accessories. If you do not see this notification, you simply have to navigate to your web browser's "settings" and disable your popup blocker there, or choose to allow popups on our site.
