The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. Ruiz, Jennifer Scanlon, and Miriam Formanek-Brunell, examine myriad ways in which a variety of discourses and activities from popular girls' magazines and advertisements to babysitting and the Girl Scouts help form girls' experiences of what it means to be a girl, and later a woman, in our society. I actually only read one essay in this, but it was fantastic:

Some features of WorldCat will not be available. Making a significant contribution to a long-neglected area of social and cultural inquiry, *Delinquents and Debutantes* will be of central interest to those in women's studies, American studies, history, literature, and cultural studies. Please choose whether or not you want other users to be able to see on your profile that this library is a favorite of yours. *Girls in popular culture*.
