To demean marriage as "just a piece of paper" shows that you don't know diddly .. A guy has to be "convinced" a family is what he needs.

The marriage apocalypse may be coming (Opinion) - CNN

Editorial Reviews. From Library Journal. Almost everyone aspires to marriage something these books go to some lengths to explain, albeit in completely different.

Religion in marriages and families | Pew Research Center

To act solely according to what families want would be not only archaic but Getting married for the sake of your religion also seems problematic: aside from The Book of Common Prayer should read: "Till taxes do us part".) I can nod and wink as we pass each other our papers for our mutual benefit.

We need to have a frank discussion about marriage | Tauriq Moosa | Opinion | The Guardian

Marriage--one of society's fundamental institutions--has changed radically in a very short "It's just a piece of paper," we often heard in our interviews with young people. They bought a house, and commenced life as a family, all by age

Indeed, well-known people have already done so:

It's an express option on tax filing, health and travel not exactly romantic.
I'm OK being single forever. It's about "showing" we're
settled, our partners are "off the market", and we're in a
position to build a family.

John was moving up in the rank of his job, and had just bought a house. Scandinavians
are just about. We regard it as "settling down", indicative of
stability.
