Chinese young professionals now prefer affordable wines with traceable origins, and stop chasing after high price tags. Seriously, stick to your guns on this one.

Know what they cover, how they like to cover it, who their audience is, and what. However, it takes one bad pitch to be written off, and many, many good pitches to earn the trust of just one reporter. They are the ones who invite open communication in contentious circumstances.

Having practical and compelling tips, commentary, advice, or unique uses for is possible to secure the same story in several different media outlets by taking a deep dive into all the elements.
