A greater share of renewable energy and improved energy efficiency represent key aspects of the transition to a low carbon energy. In light of the above, the Commission does not foresee any actions in relation to the sending of the details of the journey log via TRACES messages.

DeCommissie is vastvoornemens om een recyclingssysteem in Europa te bevoor

The Romanian rural economy, mostly dominated by agriculture, is still poorly integrated into the market economy. What concrete steps does the Commission intend to take to push for the introduction of more effective control mechanisms, so that food inspections may prevent similar cases of fraud from happening again?

Following the ECJ judgment, this proposal is intended explicitly to classify the Commission recognise these difficulties and, if so, does it agree that the issue needs to be urgently addressed at EU level in order to facilitate the continuation of waste recycling in Europe? It appears, however, that more and more people are driving on the roads without the relevant insurance.
