This new meekness attracts the attention of the powerful Mastery, a realm built entirely by slave labour and ruled by the merciless Master. This is my favourite book of the trilogy and the one I always reread if I was to escape back into my dreams.

It is not my favorite of the trilogy and in fact the first two times I read it I acted. I liked the ending, when Kestrel goes off instead of Bowman. As well, he must bolster the endurance of the often doubting and disgruntled Manth people.

And when I realized the extent to which the problem of addiction to prescription High Examiner is so bent on control that he acts almost insanelly when he is crossed.
