If you work on yourself and study regularly, the reward for persistence can be financial freedom. Instead of focusing on money, it encourages you to focus on how many hours of work you must do in order to buy the goods and services you want. What about your entertainment costs, quitting smoking or scaling back what you spend on hobbies and recreational activities?

Each authority speaks as if there is one and only one right answer, yet each firmly. For example, do you understand when buy and hold is a smart investment strategy, and when the risk is not justified by the reward? People can steal your money, but no one can ever take your financial education from you. When you increase your financial intelligence, you increase the number of financial possibilities available to you.
